Dear Bernie:

The Illinois Environmental Protection Agency (IEPA) is in receipt of the final draft of the proposed plan. After review, IEPA has no objections with the document.

It should be noted, however that state permit requirements associated with all operations and closure of this landfill are still applicable. Questions pertaining to these requirements should be addressed to Robert Watson at (217) 782-6760.

Sincerely,

Paul E. Takacs, Project Manager
